

South African National NGO Coalition

Membership Form

SANGOCO is a member driven coalition with the mandate of creating and maintaining an enabling climate for the non-profit community and promoting people centered participatory development.

The role of SANGOCO North West is to support and promote the work of development organisations in the North West Province by networking members and assisting to identify opportunities.

Our vision is to become an effective and important development support system and to play a contributory role towards the realisation of the broad goals of society that is driven by a common need to bring about qualitative change in the lives of the disadvantaged communities in the North West province.
